## December 2018 Tournament Report

On Saturday 29th December 2018 Dalgety Bay Squash Club Junior Coaches ran a Festive fun day. Mums and Dads participated, and juniors got stuck in.

Fun activities for all the family including: dodge-ball, building snowmen, balloon keepy-uppies, kerby, caterpillar races, chimney-target challenge, and 50 up.

.....and a good time was had by all. Lots of laughter, and some great teamwork. All challenges addressed and goodwill exchanged, some of our more experienced juniors took on a 50 up challenge to round off a great day. Well done to all involved!
