

JUNIOR FINAL – Catherine Holland v Scott Hunter

Scott Hunter was up against an experienced campaigner and one of his coaches, Catherine Holland. The first game was a one sided affair as Catherine quickly rattled through the points to 9-2, as both players exchanged points before Catherine closed out the first game 11-3.

The 2nd game, Scott had now warmed up and found some time to build some rallies points went almost in pairs up to 4-3 then Catherine pulled away with some good serves to 7-3. Scott found the nick and closed the gap with some boasts and volleys to 7-6. Catherine found two tight drives and was serving for the second game at 10-8. A service fault and a chance for Scott who grabbed the chance to level the game at 10 all. An exchange of points and the scores moved to 11 all. Catherine then stepped up and closed out the 2nd game 13-11.

The 3rd game saw Scott go 3-1 down after some really good serves and Catherine fed off the open responses with good drives and volleys. Scott changed his game and with some excellent boasts and drops traded points to go 8-7 up. Again some close rallies and Scott went to 10-8 and with a game ball looked to close out the third game. Catherine remained calm and took two points to level the score, before closing out the match 13-11.

Overall, a real test for Scott and good experience in his first appearance in a championship final.

Catherine won 3-0: 11-3, 13-11 & 13-11
